

Data Privacy Statement

This Data Privacy Statement sets out how Alfasigma Nederland BV uses and protects any information that you give Alfasigma Nederland BV when you use this website or contact us.

Alfasigma Nederland BV is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified when using this website or in personal contact, then you can be assured that it will only be used in accordance with this privacy statement.

What we collect:

We may collect the following information:

- name and job title
- contact information including email address
- demographic information such as postcode
- other information relevant for providing service to you (report of an adverse event or product complaint)

What we do with the information we gather:

We require this information to understand your needs and provide you with a better service, and in particular for the following reasons:

- Communication with you when providing service to you.
- Internal record keeping.
- We may use the information to improve our products and services.

We will not send unsolicited communications to you unless you explicitly give your consent. Also, we will not pass any of your personal details on to third parties unless it is necessary to facilitate your enquiry. We will not keep personal information longer than required for the purpose it was gathered for unless required for legal reasons.

Security

We are committed to ensuring that your information is secure. In order to prevent unauthorized access or disclosure, we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

How we use cookies
